

Experiences of international business leader's on Finland's management of the COVID-19 crisis

EK survey to international business leaders living in Finland

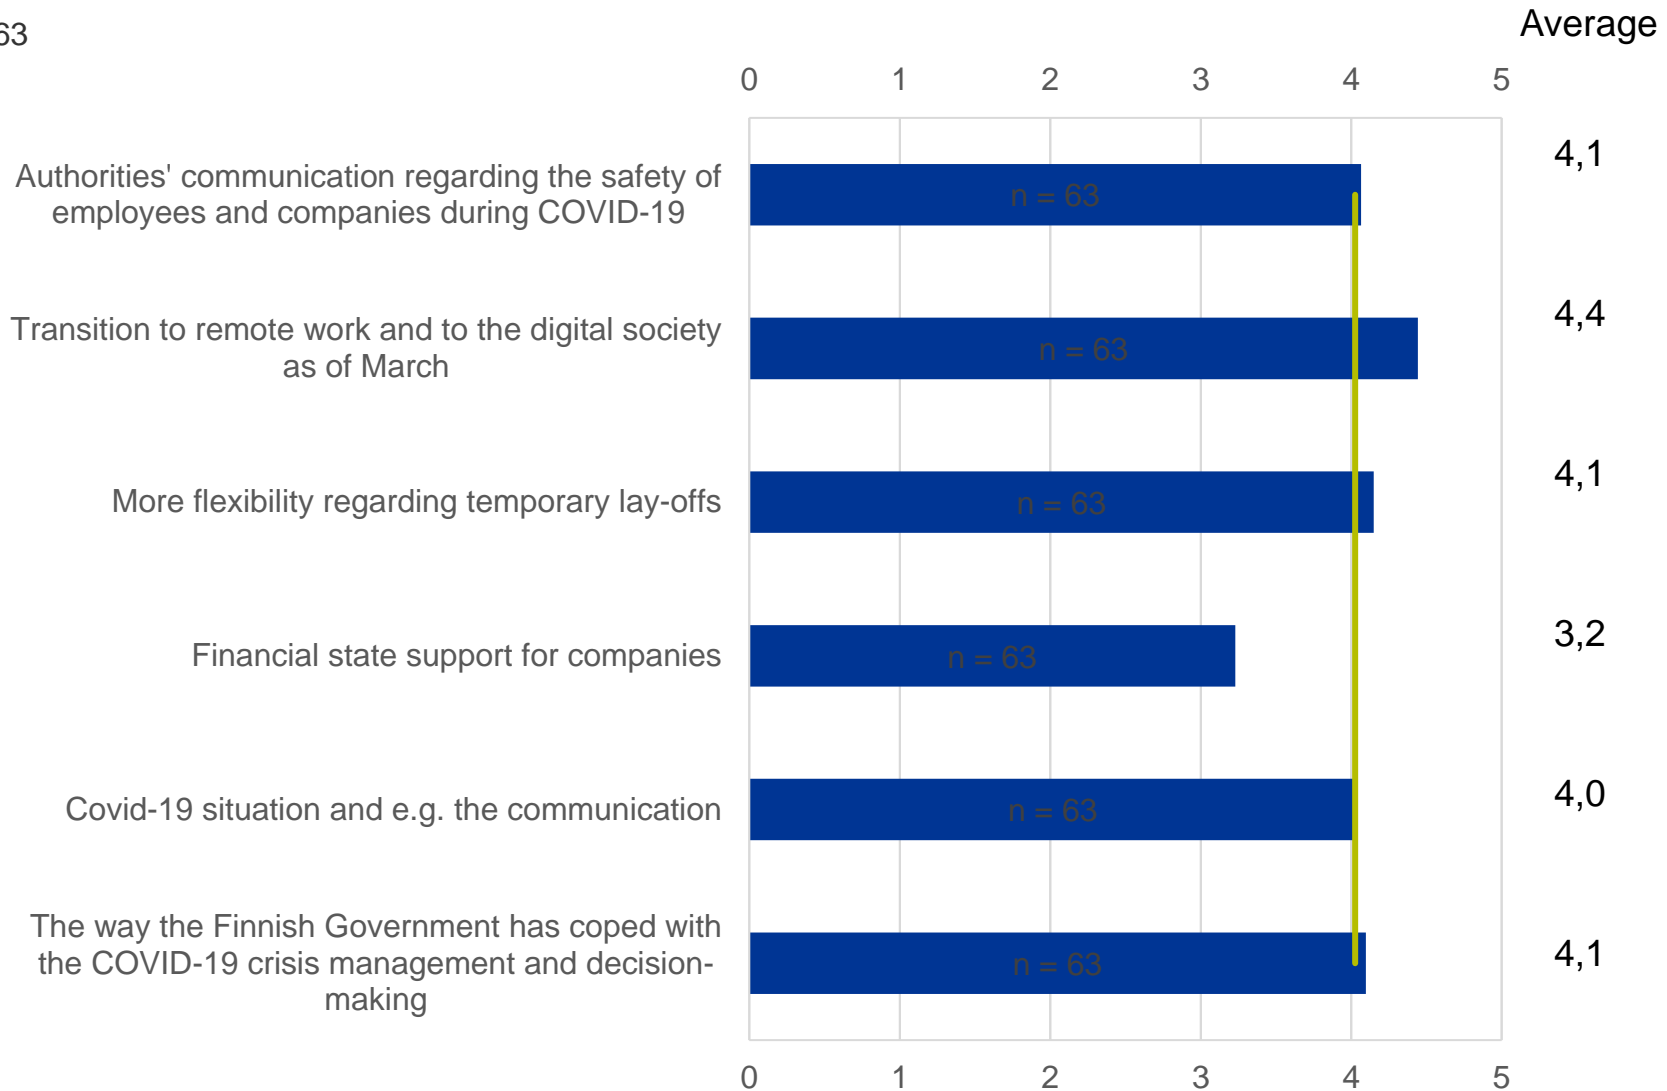

June 2020

1. As a foreign business leader: how would you rate the way Finland has coped with the COVID-19 crisis?)

Scale: 1 = very poor --- 5 = excellent

Number of respondents: 63

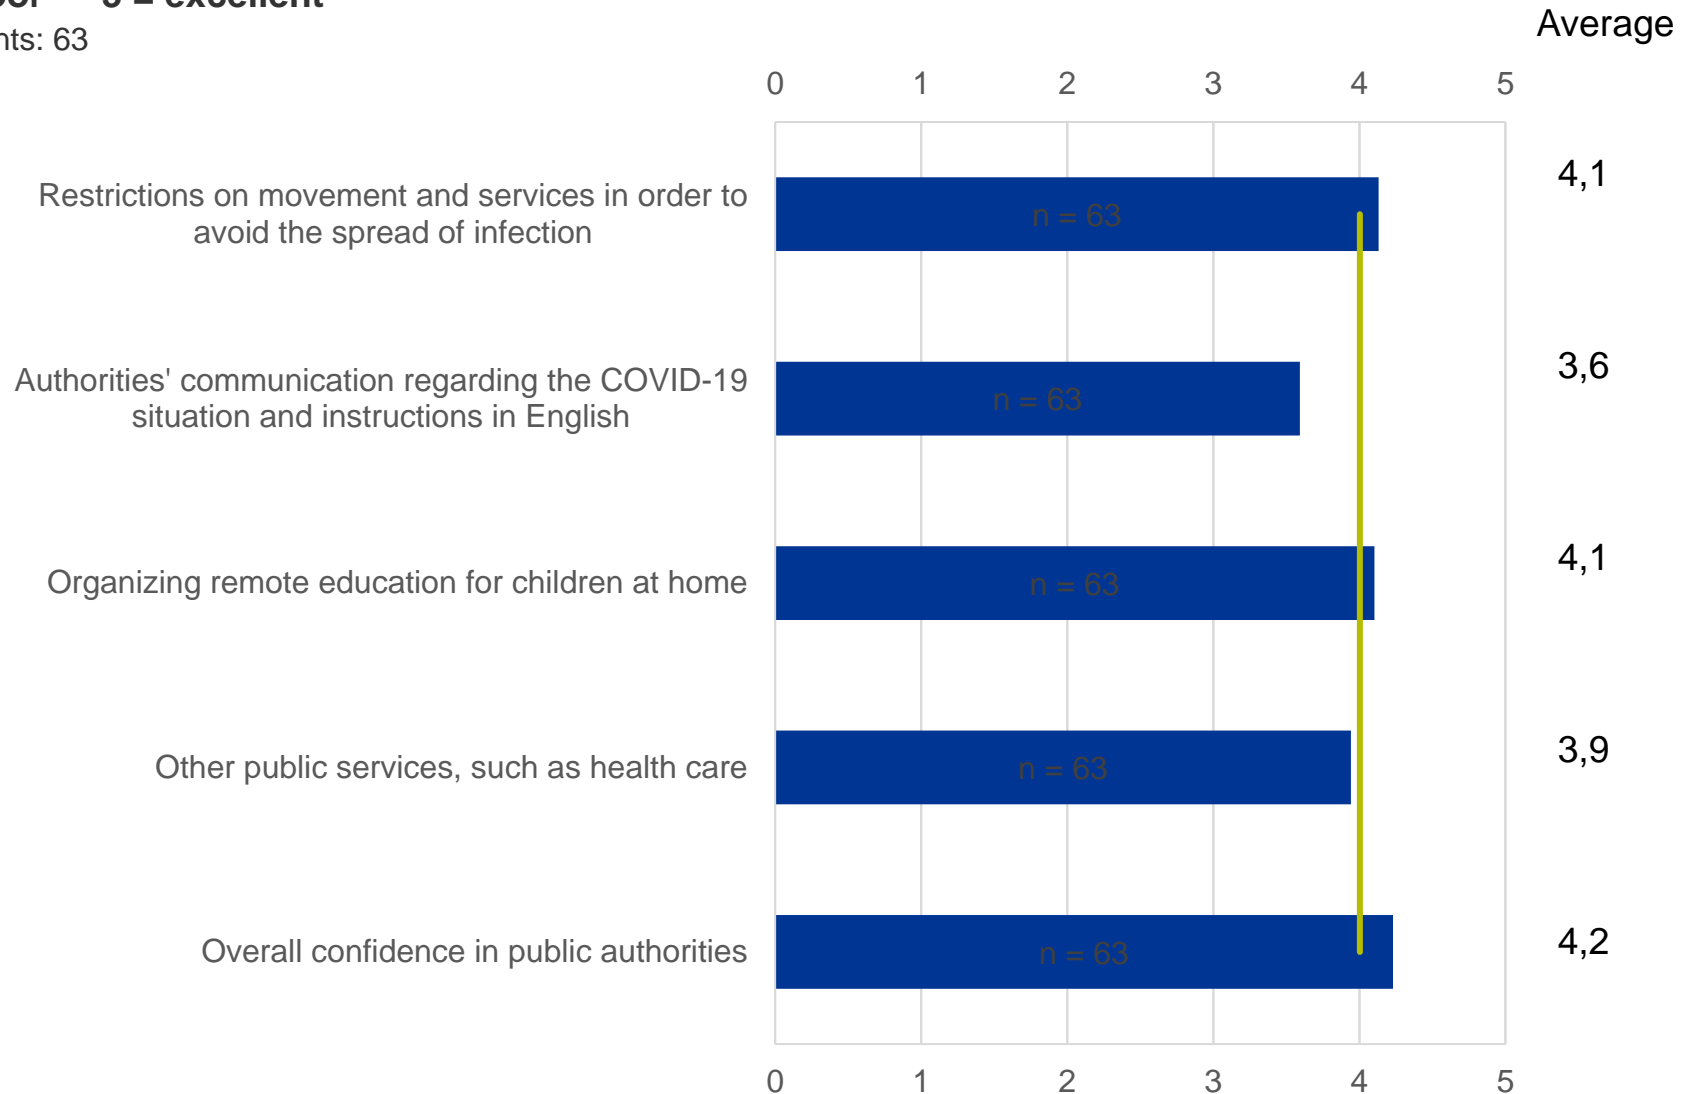

2. Based on your private life and your family's experiences: how would you rate the way Finland has coped with the COVID-19 crisis?)

Scale: 1 = very poor --- 5 = excellent

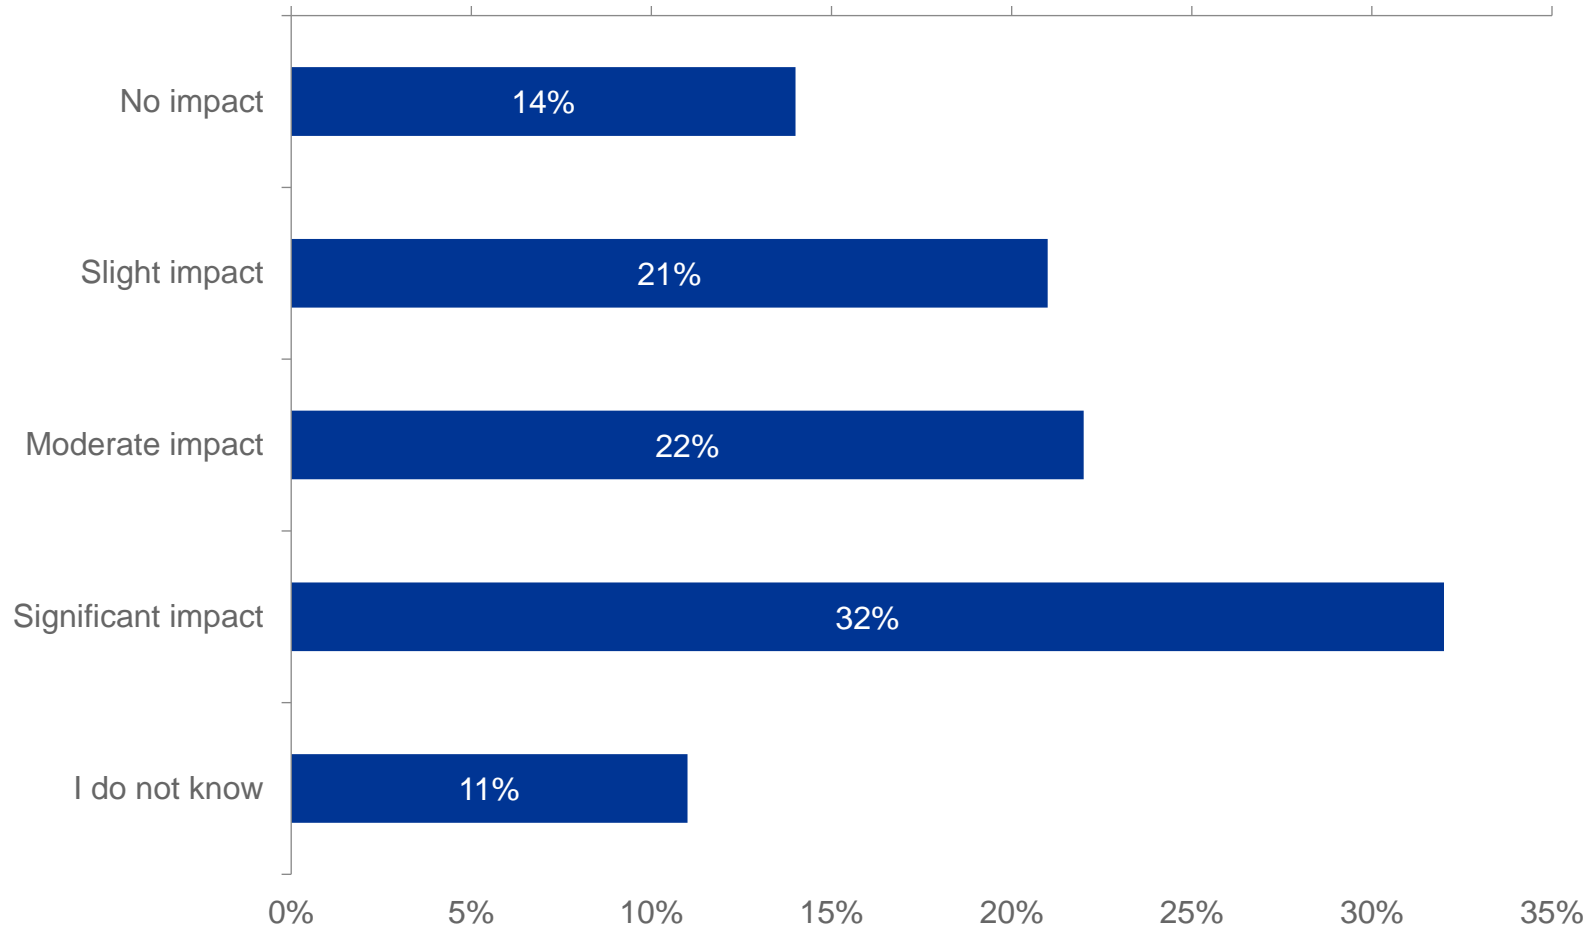

Number of respondents: 63

3. Do you think that COVID-19 will have an impact on getting foreign talents to Finland in the future?

Number of respondents: 63

About the survey

- EK sent the survey to about 200 international business leaders in responsible positions who live either permanently or temporarily in Finland. The business leaders work either in a Finnish or foreign company based in Finland.
- 63 responses from international business leaders were gathered during the time period 22.5-5.6.2020.
